

Name _____

CHAPTER 6: LEARNING VOCABULARY

classical conditioning	
conditioned response	
conditioned stimulus	
conditioning	
continuous reinforcement	
counterconditioning	

discrimination	
extinction	
flooding	
generalization	
latent learning	
negative reinforcer	
observational learning	
operant conditioning	

partial reinforcement	
positive reinforcer	
primary reinforcer	
reinforcement	
response	
schedule of reinforcement	
secondary reinforcer	
shaping	

spontaneous recovery	
stimulus	
systematic desensitization	
taste aversion	
unconditioned response	
unconditioned stimulus
